MARCH 30 - APRIL 5 2022
Spring Practice Week
An invitation to learn about Early Years

Spring Practice Week 2022 falls on the anniversary of the first COVID-19 lockdown two years ago. Children in their early years have missed out on the fun activities that help them to socialise and develop. We want to use the Practice Week anniversary as an opportunity to promote the Early Years offer that will help children make up for lost time.

Here is the programme that we hope you will enjoy.
